

Former AS Kigali coach Eric Nshimiyimana has replaced Etienne Ndayiragije as Bugesera's new head coach.

Bugesera FC made the announcement on social media saying that Eric Nshimiyimana has signed one and half year contract.

"We hereby inform you that Mr. Eric Nshimiyimana is now the head coach of Bugesera FC for a period of one and half years."

Bugesera FC parted ways with its coach Etienne Ndayiragije in January to coach Burundi while Eric Nshimiyimana was fired from AS Kigali last December, he was accused of poor performance after losing to Rayon Sports in the league.
