Classic Resort Lodge is an eco-friendly facility built seven kilometres outside Musanze town in a serene environment with natural vegetation. The facility sitting on a small hill features various amenities offering accommodation, conference facilities, best dishes and health facilities in made in Rwanda atmosphere.

Services offered include conference facilities, rooms, eco-lodges, cottages, restaurant, sauna, stream bath, massage parlour, night club, sports facilities like GYM, basketball court, volleyball court, football pitch, handball pitch, tennis court and an Olympic size swimming pool free for guests.

Pierre Habyarimana, the owner of Classic Resort Lodge and Classic Hotel says that the 4-Star hotel promotes eco-tourism and was built with 90% materials sourced locally.

Classic Resort Lodge boasts of 32 rooms with 11 eco-lodges known as Banda cottages (made of volcanic rock) that can accommodate families, presidential suites, superior rooms and standard spacious rooms among others. They are all well-equipped with modern style furnishings, self-contained, flat TV screen, working table, locker and each room has a balcony.

The gardens at Classic Resort Lodge are spacious thoughtfully planned with locally available volcanic rock and bamboo. The different facilities or amenities are separate from each other that none can interfere with guests seeking a restful environment, health activities or sensitive meeting going on.

The setting of the place is filled more with nature, flowers, bamboo trees and there are plenty of birds seen around and the hotel is developing an eco-park.

The kitchen at the hotel offers a menu with a wide choice that can be served at the restaurant with spectacular view of the mountains as well as the adjoining bar but also the club house area offers a great view.

Probably Musanze’s biggest hotel it offers the best venue for conferences, events and weddings with well-equipped conference centre featuring 10 conference halls including one that can accommodate 1,200 people. The facility is able to host conferences with capacity of 1,800 participants at once.

Classic Resort Lodge is located in the Northern part of Rwanda, with easy access to the delightful local business and amazing views that surrounds it. It is only 50

minutes away from Rubavu and two hours away from Kigali making it an ideal choice of stay for those just arriving to explore the Virunga Volcano National Park and the Northern Province.
