

His Majesty King Mohammed VI, may God assist Him, Chairman of the Al-Quds Committee, has issued his Very High Instructions for the dispatch of emergency humanitarian and medical aid to the brotherly Palestinian people, particularly the populations of the Gaza Strip, said, on Wednesday in a statement, the Ministry of Foreign Affairs, African Cooperation and Moroccan Expatriates.

This support, totaling nearly 180 tons, consists of basic foodstuffs, milk, and children's products, as well as medicines and surgical equipment for the most vulnerable populations. It also includes blankets, suitable tents, and other equipment.

The aid will be transported via a specially arranged route, allowing for rapid and direct delivery to Palestinian beneficiaries.

This humanitarian aid is part of the concrete solidarity that continuously drives the Kingdom of Morocco, as well as its unwavering commitment of His Majesty King Mohammed VI, may God assist him, Chairman of the Al-Quds Committee, to the Palestinian cause and its brotherly people, the statement concluded.
