

Cabo Delgado: On Tuesday, the President of Mozambique, Filipe Jacinto Nyusi visited the Rwanda Security Forces operating in Cabo Delgado province, Mocimboa da Praia District.

During the visit, President Nyusi also addressed the population who had returned to their homes after many years in IDP camps.

In a message conveyed to the Rwandan Security Forces, he congratulated them for the great work done in fighting terrorism since they arrived in July 2021 and commended their commitment, dedication and discipline throughout this period.

While meeting the population of Mocimboa da Praia, President Nyusi assured the public of government support in maintaining the situation and returning everything to normal.
