

Throughout this December, M-Services Ltd in partnership with PECB is organizing two trainings on ISO certification which will help Rwandans to acquire skills in managing, maintaining and leading organizations.

The two trainings one on ISO 21500 Lead Project Manager which enables one to acquire the expertise to implement, manage and maintain projects and ISO 39001 Lead Auditor training that helps one to develop necessary expertise to perform a Road Traffic Safety Management System (RTSMS) will take place on 3rd to 7th December/2018 and 10th to 14th December/2018

At the end of the training, participants will pass the exams will be given a certification by PECB known and accredited for ISO certification worldwide.

According to the organizers of the training on Project management targets managers, consultants responsible for managing the implementation of projects based on ISO 21500, expert advisors seeking to gain comprehensive knowledge of the key concepts, individuals involved in Project Management plus professionals seeking to acquire Project Management skills, which will help them to successfully achieve project objectives.

Those targeted for ISO39001 Road Traffic and Safety training are auditors seeking to perform and lead Road Traffic Safety Management System (RTSMS) certification audits, managers or consultants seeking to master a Road Traffic Safety Management System audit process, individuals responsible for maintaining conformance with RTSMS requirements, technical experts seeking to prepare for a Road Traffic Safety Management System audit and expert advisors in Road Traffic Safety Management

On October 9th, 2018 – PECB signed a partnership with M Services to distribute PECB training courses in Rwanda.

According to Eric Lachapelle, the CEO of PECB, the partnership is a perfect fit for each party to provide top services to their customers by enabling them to achieve a more comprehensive understanding of ISO Standards.

“This partnership agreement marks an important day for us and our customers. PECB’s partnership has always been about bringing the best services to the market and help our customers satisfy their needs,” said Eric Lachapelle,

“It is wonderful to know that PECB and M Services will be working together for the benefit of our customers. We believe that working with M Services is a great opportunity to provide our services for people in Rwanda, and extend our network of professionals”, added Lachapelle.

According to Dr. Jacob N. Mahina the Managing Director of M-Services, it is an exciting moment for M Services Ltd-Rwanda to formally partner with Professional Evaluation and Certification Board (PECB).

“We are happy to partner with a Canadian firm that has demonstrated unparalleled abilities in provision of globally recognized certified professional programs in Quality Management Systems, Risk & Management, Health, Safety, Environment, Information Security, IT, Business Continuity among others
